We would like to take this opportunity to welcome you to our practice. To serve you more efficiently we ask the following of you.

Please make sure that you bring all medication bottles with you for your appointments.

We ask that you bring any cardiac records with you, from any past cardiac care. This may include any stress test, echocardiogram, cardiac catheterization or operative reports. You may have these faxed to our office at (334) 387-0955. Without these records you may be asked to reschedule your appointment until a later date.

Bring your insurance cards, picture ID, and any co-pay that you are responsible for. Please be aware if your insurance requires a referral or authorization that you contact your Primary Care Physician.

If you have any questions regarding this appointment, please feel free to contact our office.

Sincerely,

River Region Cardiology
